East of the Cour House, on Market Street. Timn, Sept. 29th, 1854

time sives, but, owing to the press of matters their publication has been delayed:

THE APPROACH OF WINTER. BT E. BANDELL. Old guther the corn ears, While gather ye may: And garner the yellow

Rich treasure away. The calm Indian Summer's Mild glory is past, And down from the pole aweeps The chill, icy blast.

The white mantled becalds Tell, winter in nigh; The van of his armics Move dark up the sky.

To winter's cald solution, Down rushes the aun. And clouds in his track Lower, threat'ning and dun-

The storm will come down, like A wild avalanche: The prond forest monsreh, Firm rooted and staunch,

Will hend his proud head, when The tornade goes by, As shrinking to dread from

TOMB, HUSS & CO., Tiffin Weekly Tribune. nough to keep still, very still, just now.— Speech of the Han. B. F. Wade.
The close on a large vein, you see, right in your neck. Keep very still and don't stir.
